# MORE ABOUT THE ALDRIDGE MUSIC PROGRAM

## IMAGINE. CREATE. INSPIRE.

Aldridge Music provides modern musicians a chance to imagine, create and inspire. Our program is passionate about developing performance skills and building upon theoretical knowledge for all future pathways. Our students learn from Industry Professionals and over the past 10 years, have created direct links with Queensland Music Universities.

## ABOUT:

Aldridge students are provided with the opportunity to study Music as either a Core or Extension offering. Our musicians partake in a minimum of 55 minutes each day. Curriculum music classes are part of ATAR and QCE Assessment and from junior to senior develops skills in Performance, Composition and Musicology as it's three focus dimensions.

As an extra-curricular offering, students may also participate in Instrumental music which includes Concert band, Strings, Piano, Vocals and Guitar tuition. The entire program is designed to encourage the enjoyment and pursuit of excellence in music, performance and engagement.

## AT ALDRIDGE WE OFFER:

- Year 7 Core Music
- Year 7-8 Extension Music
- Year 9 Music
- Year 10 Music Extension
- Year 11 ATAR Music
- Year 12 ATAR Music
- Year 7-12 Instrumental Music

## WHY STUDY MUSIC/MUSIC EXTENSION?

The music program focuses on our school vision - "engaged students, working with expert and accountable staff in a calm, ordered and caring environment". To support individual needs and performance opportuni-

ties, our engaged students work with five of the most passionate teachers in the Australia. From beginner to industry professional, Aldridge Music is the only choice for music in the Wide Bay. Music can be studied all YEAR LONG and is the only junior elective with this opportunity.

## FACILITIES, EQUIPMENT AND SOFTWARE

Our tuition and program is delivered across the entire week by a number of specialist musicians and coaches. Their experience and expertise truly compliment any individual student's goals. From performing for the first time in a band (live or virtual), presenting a public solo, sitting an AMEB exam or audition, ATAR curriculum assistance, releasing an EP or looking at a career pathway in the creative industry...MUSIC at Aldridge is for you!

We currently have two recording studio rooms, a small music auditorium, Brolga Theatre stage access for our large productions and over \$ 30,000 invested into regular music coaches who visit from the Queensland Conservatorium of Music.

## TEACHER:

Mr Hodgkinson has been a part of Aldridge High since 2009 and is known as "Hodgo". He is particularly gifted in bringing people (staff, parents and students) together to achieve. His ability to engage, motivate, challenge and enhance student learning supports the observation that in this case vocation and "calling" are in complete alignment. This passion has seen him be awarded Fraser Coast Educator of the Year in 2019 and his love for Music becomes infectious from Year 7 until graduation!
